Men's Club Cut Jerseys

Notes:

- Only men's jerseys are available in "race" and "club" cut. Use the "race cut" measurements for all jackets, vests and skinsuits.
- Since jackets and vests are typically worn over another item we suggest ordering a size up for the garments if you are between sizes.

Race Cut

We've designed our race cut jersey based on a European fit. It's a tailored design worn by only the fittest cyclists who are lean and mean. Think pro riders, elite category 1 and 2 riders and those super fit skinny guys that love to go up mountains fast. Just because you're a racer doesn't mean you should automatically order the race cut. We know lots of racers who order "club cut". Why? Because although they race almost every weekend they still have an American build and the tight-fitting Euro race cut just won't do the job.

Club Cut

For everybody else we offer the club cut. Mind you, our club cut is not a baggy potato-sack jersey. It's still a classic cycling jersey that fits the majority of our customers....even the racers who are not as slim as they might think.
